Rivet School offers [INSERT ORGANIZATION NAME] team members the opportunity to earn an accredited, affordable, accelerated BA and pursue the next steps in their careers. Rivet School's project-based program is flexible around your schedule and 100% online. You will work with a personal College Coach on your path to a BA and have access to career services and other resources. Earn your AA and BA in as little as 2-3 years starting from scratch, or transfer in your previous college credits.
